OBJECTIVE

Motivated IT student seeking a Backend Developer Internship to apply foundational skills in Node.js, Express, and MongoDB. Hands-on experience with building RESTful APIs, implementing JWT-based authentication, and developing secure backend systems. Eager to learn, contribute to real-world projects, and grow as part of a collaborative development team.

KEY SKILLS

1. Programming Languages: Python, JavaScript, HTML, CSS
2. Backend Frameworks: Node.js, Express.js
3. Frontend Libraries/Frameworks: React.js
4. Database Management: MongoDB, MongoDB Atlas, MySQL (basic)
5. API Development: RESTful APIs, CRUD Operations

PROJECTS

- **Plant & Decor Store [Dec 2024 - Feb 2025]**

Built with React, Node.js, Express, MongoDB Atlas, and integrated with eSewa for payment processing to develop a full-stack eCommerce platform with secure user authentication and product APIs.

- **Flourish e-Learning [2024]**

Developed using HTML, CSS, JavaScript, and PHP to build an engaging e-learning platform with interactive content and quiz features.

- **Console-Rush**

Created using C++ and OOP principles to simulate a console-based racing game with basic game mechanics.

EDUCATION & CERTIFICATIONS

Bachelors in Science In Computer Science and Information Technology
Prime College, Kathmandu (expected graduation 2025)

Certifications

- Best Project in Project Expo Demonstration   March 19, 2023
  Created using C++ and OOP principles to simulate a console-based racing game with basic game mechanics.
- Python (Explored Python through hands-on projects and real-world applications)   2024

EXTRACURRICULAR ACTIVITIES

Tech Club Member
Participated in club website development, coding challenges, and workshops to enhance development skills.

Hackaverse Participant
Contributed [about45%] of the work to a team project during Hackaverse, focusing on developing [Front end and database management].

STRENGTHS

- Knowledge of server-side languages (Node.js)
- API development and integration
- Database management (MySQL, MongoDB)
- Team collaboration and communication
